Subject: NDT Level 3 FPM Certification Supplier Code: new

Attention: Bernd Fuchs and Manfred Podlech

On March 11, 2014, Nondestructive Test (NDT) Level 3 Certification Examinations were administered by Quality & Standards Lab (Q&SL) NDT with the following results:

Mr. Manfred Podlech of GMA Group Germany successfully completed qualification requirements of Pratt & Whitney (P&W) Nondestructive Test Qualification (NDTQ) specification and is certified as the Level 3 for FPM-M.

Note: This is a new supplier FPM Level 3 Certification.

A Level 3 certification may be revoked whenever there is a valid reason to question the quality of NDT Inspection or process control or if there is proof that the responsibilities of the Level 3 are unfulfilled.

If a Level 3 position is vacated, you shall notify Q&SL NDT within two weeks and a qualified replacement must be certified within ninety (90) days of vacancy to maintain facility certification.
